SENATOR LAMB: Mr. President and members, 'tis a season for centennials and we have three of them that I'm sure that you're happy to, be happy to honor these three areas of my legislative district, the great 43rd Legislative District. LR 200 is in honor of the birthdate of Cherry County, 100 years this year. Cherry County, as you know, is the largest county in this State, a ranching county and I'll just do all these at once. LR 201 celebrates the anniversary of the birth of Brown County which is the home of Ainsworth. You may have heard of Ainsworth and would also be the site of the Norden Dam if that should come off. Also, we have another village in Custer County which is celebrating its hundredth anniversary this year and that's the village of Arnold which is in the west central part of Custer County. I would ask that these three resolutions be adopted. First one is LR 200, Cherry County.

PRESIDENT: Is there discussion on the resolution? If not, all those in favor of LR 200, vote aye, opposed, vote no. Have you all voted on the resolution? Clerk will record.

CLERK: 32 ayes, 0 nays on adoption of the resolution.
